

Hungerford Chamber of Commerce

Supporting Retail and Commercial Business in Hungerford

Introduction

The Hungerford Chamber of Commerce represents around one hundred businesses from the local area and is the only organisation to provide an inclusive forum that brings together business owners, the Town Council, West Berkshire Council and other key stakeholders in the area.

As such we organise and negotiate many opportunities for businesses to advertise and promote themselves, either through our website, meetings, advertising in local press and other publications and of course through our largest annual event – The Victorian Extravaganza.

Our aims are to:

- Promote and provide links and opportunities between local businesses through regular meetings.
- To promote Hungerford as a commercial and retail centre.
- To represent the views, concerns and needs of local businesses including local retailers.
- To host business and social functions which bring the local business community together.

What is the Chamber of Commerce?

The Chamber of Commerce is a representative body for business members in Hungerford and the surrounding area. The Chamber has an elected executive committee, who are members of the Chamber. The committee set the programme of events for the year, hold regular meetings and represent their members in the larger community and particularly with local and district councils, other local organisations and community partnerships.

Attendance at Chamber meetings isn't limited to one person for each business organisation. Other representatives are always welcome. However in the event of any vote being taken, the business will be entitled to one vote only.
